Embracing Summer at Joint Base Anacostia-Bolling

CMSgt Ashley Graham, 11 FSS

Welcome to June! The sun's shining longer, temperatures are climbing, and summer is officially here, bringing all the excitement of beach days, backyard BBQs, and that wonderful slower pace we've been waiting for. For our military community, summer often means change. Whether it's PCS moves, new school routines, or simply making the most of these gorgeous days. Whatever your summer holds, the 11th Force Support Squadron is here to support you.

Whether you are new to the base, preparing for a departure, or settling in for the summer, we are here to help make the transition smoother. Our Military & Family Readiness Center team is available to provide information and assistance for all your transition needs.

With school out and summer break underway, we've organized some fantastic events for everyone. Join us for Family Day BINGO with exciting prizes, cool off with Popsicles in the Park, or enjoy some laughs at Dunkin' For Dads, outdoor activities to youth programs that keep boredom at bay, our calendar is filled with options for every age and interest.

I encourage each of you to explore the upcoming events and services offered throughout this newsletter. Summer is an excellent opportunity to forge new connections, strengthen existing bonds and create lasting memories. Participating in FSS activities is not just about recreation; it's about building a resilient and supportive community, which is more important than ever during times of change and new beginnings.

The 11th FSS is committed to making your summer enjoyable while supporting your transition. We look forward to seeing you at our events. Let's make this a summer to remember!

SPLENDID EFFORTS

-MR. WAYNE MCCRAY

What does splendid efforts mean?

The phrase 'splendid effort' points to an impressive or outstanding exertion describing a noteworthy attempt or endeavor...outshining the usual or customary efforts. If we describe a task or project as splendid, we mean that it is remarkable, and extremely well put together or maintained. Clearly, we are referring to the astonishing or extraordinarily impressive as compared to that which is merely mundane. Insisting on pursuing excellence....

Perhaps it would be helpful to think about our own contributions to the various positive aspects of the workplace, the existing excellent team dynamics, a successful project, or a positive work environment. This type of reflection may highlight more reasons to be even more thankful for those who thrive for these outcomes, or to initiatives I can undertake to establish, continue, or ensure these developments are indeed 'splendid efforts.' Either way our contributions directly make a real difference.
